Kinetic Clockwork Pounding

Welcome, Steampunk Explorers of all ages!

Come one, come all to the latest adventure by the Master of Arms of The Royal Airship Kamehameha, and Founder of the War Room!

Presenting: Kinetic Clockwork Pounding

The Sky Pirates are invading our region, and the Royal Airship Kamehameha has been dispatched to intercept the Pirates’ advance forces: Glowing Steam Rats!

Will you join us in our quest to defeat this glowing infestation, and keep our Clockwork Nation free?

Come aboard the Royal Airship Kamehameha, and play Kinetic Clockwork Cutlass, a special game to test your skills and agility.

This is a never before seen game! Test your reflexes by smacking the lights out of the Glowing Steam Rats.

Try your luck, come back and try again — strive to beat your personal best, while competing alongside other Steampunk explorers!

You may meet some of the most experienced explorers in the ‘Verse, as you test your skills!

Save the World, Beat the Glowing Steam Rats, and have fun in The War Room 2024!
